Instances having come to notice in which divergent views are held by Drawers of bills and Treasury Officers as to the application of the rules for elimination of pies in Government Accounts in respect of bills for remuneration to Copyists and Examiners, the undersigned has the honour to observe that as these comprise numerous individual claims including fractions of an anna and the rates fixed for Copyists and Examiners for each paper used is Re. 0 1 4 and Re. 0 0 4 respectively, the rule for elimination of pies need not be applied in the case of these bills.

The Secretary, State Life Insurance Committee having brought to notice instances, during payment, of omission of pies in the amounts authorised to be paid on the payment orders issued by him, the undersigned has the honour to state that the ruling laid down in Government Order No. Fl. 5301-64—G. The amounts authorized to be paid or recovered by that officer will therefore be paid or recovered without rounding the pies, if any, to the nearest anna.
